The diagrams illustrate various basketball drills and techniques:

- Alte:** A diagram showing a ball being passed between two players (marked with 'x') in a square formation.
- A):** A diagram showing a ball being passed between two players (marked with 'xx') in a square formation, with a dashed line indicating a path.
- B):** A diagram showing a ball being passed between two players (marked with 'xx') in a square formation, with a dashed line indicating a path.
- C):** A series of court diagrams showing different drill setups:
 - RH-Zirkel:** A court diagram with a circle of players.
 - Di Schwall:** A court diagram with a circle of players.
 - Drill:** A court diagram with a circle of players.
- Diagram A:** A court diagram showing a ball being passed between two players (marked with 'x') in a square formation, with a dashed line indicating a path.
- Diagram B:** A court diagram showing a ball being passed between two players (marked with 'x') in a square formation, with a dashed line indicating a path.
- Diagram C:** A court diagram showing a ball being passed between two players (marked with 'x') in a square formation, with a dashed line indicating a path.
- Diagram D:** A court diagram showing a ball being passed between two players (marked with 'x') in a square formation, with a dashed line indicating a path.
- Diagram E:** A court diagram showing a ball being passed between two players (marked with 'x') in a square formation, with a dashed line indicating a path.
- Diagram F:** A court diagram showing a ball being passed between two players (marked with 'x') in a square formation, with a dashed line indicating a path.
- Diagram G:** A court diagram showing a ball being passed between two players (marked with 'x') in a square formation, with a dashed line indicating a path.
- Diagram H:** A court diagram showing a ball being passed between two players (marked with 'x') in a square formation, with a dashed line indicating a path.
- Diagram I:** A court diagram showing a ball being passed between two players (marked with 'x') in a square formation, with a dashed line indicating a path.
- Diagram J:** A court diagram showing a ball being passed between two players (marked with 'x') in a square formation, with a dashed line indicating a path.
- Diagram K:** A court diagram showing a ball being passed between two players (marked with 'x') in a square formation, with a dashed line indicating a path.
- Diagram L:** A court diagram showing a ball being passed between two players (marked with 'x') in a square formation, with a dashed line indicating a path.
- Diagram M:** A court diagram showing a ball being passed between two players (marked with 'x') in a square formation, with a dashed line indicating a path.
- Diagram N:** A court diagram showing a ball being passed between two players (marked with 'x') in a square formation, with a dashed line indicating a path.
- Diagram O:** A court diagram showing a ball being passed between two players (marked with 'x') in a square formation, with a dashed line indicating a path.
- Diagram P:** A court diagram showing a ball being passed between two players (marked with 'x') in a square formation, with a dashed line indicating a path.
- Diagram Q:** A court diagram showing a ball being passed between two players (marked with 'x') in a square formation, with a dashed line indicating a path.
- Diagram R:** A court diagram showing a ball being passed between two players (marked with 'x') in a square formation, with a dashed line indicating a path.
- Diagram S:** A court diagram showing a ball being passed between two players (marked with 'x') in a square formation, with a dashed line indicating a path.
- Diagram T:** A court diagram showing a ball being passed between two players (marked with 'x') in a square formation, with a dashed line indicating a path.
- Diagram U:** A court diagram showing a ball being passed between two players (marked with 'x') in a square formation, with a dashed line indicating a path.
- Diagram V:** A court diagram showing a ball being passed between two players (marked with 'x') in a square formation, with a dashed line indicating a path.
- Diagram W:** A court diagram showing a ball being passed between two players (marked with 'x') in a square formation, with a dashed line indicating a path.
- Diagram X:** A court diagram showing a ball being passed between two players (marked with 'x') in a square formation, with a dashed line indicating a path.
- Diagram Y:** A court diagram showing a ball being passed between two players (marked with 'x') in a square formation, with a dashed line indicating a path.
- Diagram Z:** A court diagram showing a ball being passed between two players (marked with 'x') in a square formation, with a dashed line indicating a path.
